

LUNCH CLUB 2018-2019

Dear MNS Families:

The Lunch Club Program will run from **Mon, November 26, 2018** through **Fri, March 29, 2019**.

Attached please find a description of expected Lunch Club offerings. If your child is interested, please **complete** the attached **Lottery Form** and backpack **no later than Mon, November 12th**.

On **November 16, 2018** a lottery will be conducted to allocate the spaces in the clubs. Shortly after the lottery is conducted you will be notified of your child's club placement.

This is how the lottery will work:

- Lottery forms will be randomly chosen. As each form is chosen, the student will be assigned his/her first choice club if space remains, or, the next listed club from his/her list that has space remaining.
- This random process will continue until all students who submitted a form have been assigned to a club, space permitting.
Please only list clubs that your child is prepared to attend on the form. Every effort will be made to assign each student a club on his/her list, however there is no guarantee.
- Waitlists will be maintained for classes that reach capacity.
- If a student is assigned to a club and changes their mind, the space will be re-assigned to someone on the waitlist.
- If a child misses their lunch club more than 2 times, you will be notified, and their spot will be re-assigned to someone on the waitlist.

Please note that there is no charge for the Lunch Club Program.

There is a suggested donation of \$25 per child per class for supplies.

The Lunch Club Program is entirely optional for students. There is no obligation to register for the clubs. Outdoor recess (and indoor recess during inclement weather) will continue as a daily option for all children.

We are extremely grateful to our parent volunteers and our returning instructors whose generosity and dedication to our children has made the Lunch Club Program possible.

If you have any questions regarding the Lunch Club Program please contact us at lunchclubs@mnspta.org

Sincerely,
Leah Bodziony
Lunch Club Coordinator
